

Technical drawing of a yellow three-way valve. The drawing shows the valve from a top-down perspective. It has a central body with three ports: one at the top, one on the left, and one on the right. A white handle is attached to the central body. Dimensions are indicated: the top port has a diameter of $\varnothing 129$, the side ports have a diameter of $\varnothing 60$, and the overall width of the valve body is 260.
